### **Country Dreams Farm CSA**

855 Brookline Rd. Mason, NH 03048

## A CSA For Everyone!

Start small and work your way up the ladder. Know your Rewards.

Positive experience Abundance Nutritional Support local Food Movement Appreciate freshness and flavor Know your farmer Know your food

I grew up on a farm in West Virginia and when I moved here we found property in Nashua NH and started farming it. The seasons are shorter but the risk and the knowledge of farming is the same. You can have bad weather at any time, such as the wet Season of 2010 or the Dry Season of 2016. We are tired and exhausted at the end of the season but our customers and friends are all ways proud of all we accomplished and their CSA buckets are still flowing over the top.

#### Why buy a CSA?

Quality of food, freshness and flavor Eating with the seasons Serving up the harvest (creativity) Recipes Preserving the harvest Knowing your food source

So to give everyone a chance to participate this is what we came up with:

### **Harvest Shares**

We are offering three sizes of harvest shares this season.

**Large Share:** (\$650.00) is designed for a family of four or five veggie eaters. Only the larger share will be appropriate for sharing. (Running 12 to 14 weeks, late June – Mid October)

**Small Share:** (\$450.00) is designed for the smaller family of a couple or a couple with younger children or light veggie eaters. (Running 12 to 14 weeks, late June – Mid October)

Half Share: (\$250.00) is designed for a single house hold (Running 12 to 14 weeks, late June – Mid October)

Please have a back up plan if you will not be able to pick up your share (friend or family member) or your share can be donated to the Nashua Soup Kitchen. If informed in advance a double share can be picked up on a different week.
